

## Off Grid Resilience Equipment

### Portable Charger

**Charger Specifications:**  
Dual USB + Lights  
Capacity: 12000mah  
**Price: \$18.00**

### 65QT Solar Cooler

**Cooler Specifications:**

- 65QT Capacity
- Digital temperature settings (-3F to 50F)
- DC or AC adapter
- 80 Watt Solar Panel
- 20AH Lithium Battery

**Price: \$599.00**

### 240 Watt Generator (Flex Panel)

**Kit Specifications:**

- 120 Watt Flex Solar Panel (x2)
- Smart Charge Controller
- 190AH AGM Battery
- 2000 Watt DC to AC Power Inverter

**Starting Price: \$749.00**  
**10+ units: Contact for discounted pricing**

### 300 Watt Generator (Large Panel)

**Kit Specifications:**

- 300 Watt Solar Array
- Smart Charge Controller
- 190AH AGM Battery
- 2000 Watt DC to AC Power Inverter

**Starting Price: \$575.00**  
**10+ units: Contact for discounted pricing**

### Bulk Solar Panels (10+)

**Specifications:**  
300 Watt Solar Panel  
**Price: \$125.00/each**

### Bulk AGM Batteries (10+)

**Specifications:**  
190 AH AGM  
**Price: \$130.00/each**

\*Pricing does not include shipping
